- b. Email Update
 - i. Some confusion persists in trying to link the new 1790 website with new Google Workspace domain. Anna is working with the IU and hopes to have a resolution soon.

 - i. Quorum at a General Member meeting needs to be 10%, about 70 people
 - ii. What if we gave them less than \$1000? Then we wouldn't need a membership vote
 - iii. Erin moved to table the conversation as the expense requires a member vote, based on guidance we received from the IU. The motion was seconded and carried.

 - ii. We still need to figure out rules about expenditures regarding what we can vote on versus what needs membership votes

 - 1. Who are the member leaders in each sublocal?
 - 2. It's important that sub-locals feel supported, but it may not always be appropriate for the Board to do it directly, hence member leaders
 - 3. How can we engage member leaders? What can we do to support?
 - 4. Outside In and Cascadia - Bargaining
 - a. Ideas to support members
 - b. Suggestion from Stacy - Set up an easel board for members to write bargaining ideas in each break room or post on bulletin boards a section for members to write ideas for bargaining – collect after a predetermined period of time.

- c. Sector-Wide Strategic Planning
 - i. What is our vision for 1790? How can we use our collective power to incite change in the system? What does this look like?
 - ii. Observations from Mike:
 - 1. Folks are interested in moving towards stronger campaigns. Mike and Anna have started crafting a Bill of Rights that would be leveraged in a campaign. How do we take this moment when the world is opening back up to take more power? Several sub-locals are bargaining this year, and CCC has proven that when members are given the opportunity they will fight. But what is the role of the

Local board? The Board doesn't bargain, so what is the exact role? The coordination would have to be very tight and seamless between the Local board and the bargaining unit members.

2. What is the Local? Is it just a bank account, or will there be other functions?
3. 1790 is a unique Local, and we can't play by the same rules, so we have to develop those strategies from the ground. An existing framework likely doesn't exist within Council 75, as most members are Public employees.

d. AFSCME Strong

- i. Power Weekend is 02/04-02/05, with phone bank and door knocking. Week of Action is 02/13-02/17.
- ii. Local 1790 gets \$800 from the Council for planning and activities
- iii. CJ moved to table this conversation as we ran out of time. The motion was seconded and carried.

7. It was moved, seconded and carried that the meeting be adjourned.

The meeting was adjourned at 8:10 PM; minutes were submitted by Cameron Johnson, Recording Secretary.
